November, 2016

ASSIGNMENT 10

(due 5:00 pm, Wednesday 23)

Please submit the draft of your final report using the LaTeX template provided in the class website (resources link below):

<http://www.math.umassd.edu/~aheryudono/mth499f2016site/resources.html>

You are also free to use other LaTeX template as long as it produces a professional looking manuscript. Your draft should be in the form as if you want to submit it as a manuscript for publication. All your project deliverables prior to Wednesday 23 must be included in the draft.

The draft must be saved in pdf as:

lastname_finalreport_draft.pdf

The report must be uploaded to your Google Drive folder by the deadline.
